A close-up photograph of a wooden boat, likely a fishing vessel, with a red and white paint scheme. The boat's hull is white with a thick red stripe along the top edge. The name "N. SENHORA DO CARMO" is painted in large, bold, red capital letters on the white section of the hull. The interior of the boat shows red-painted wooden ribs and a red-painted gunwale. A white plastic bucket is visible on the left side of the boat. The background shows a weathered wooden surface.
